rottensis Statz, Anopheles. Upper Oligocene.
1944:109 (♂*). Type-loc: Rott, [near Meissner, Germany] (LACM).

varivestita Statz, Mansonia. Upper Oligocene.
1941:14 (♀*). Type-loc: Rott, [near Meissner, Germany] (KCB).
Statz 1944:111 (♀*).

vectensis Edwards, Culex. Middle Oligocene.
1923c:151 (♀*). Type-loc: Gurnet Bay, Isle of Wight, England (BM).

winchesteri Cockerell, Culex. Eocene.
1919:44 (♀). Type-loc: Smith's Ranch, near Cathedral Bluffs, Colorado, United States (USNM).

Rejected Names

These names have been placed on the Official Index of Rejected and Invalid Names by the International Commission on Zoological Nomenclature.

africanus Theobald, Anopheles. Nigeria.
1901d:1 (♀; *barbirostris* var.). Type-loc: Old Calabar, [Eastern Provinces], Nigeria (LU). International Commission on Zoological Nomenclature 1968:22 (suppression).

bironelli Christophers, Anopheles. New Guinea, Moluccas, Australia, Bismarck Archipelago.
1924a:16 (*nom. nov.* for *gracilis* Theobald, *non* Doenitz 1902). Swellengrebel and Rodenwaldt 1932:55 (♂*,♀*,L*). International Commission on Zoological Nomenclature 1965:164 (suppression).

errabundus Swellengrebel, Cellia. Borneo.
1925:1913 (♀*). Type-loc: Berau (Tandjungredeb), [South East Division], Borneo (ITH). Bonne-Wepster and Swellengrebel 1953:444 (♀*). Reid and Bonne-Wepster 1966:190 (suppression proposed). International Commission on Zoological Nomenclature 1969:10 (suppression).

Names Removed From Mosquito Genera

A certain number of species described in culicid genera apparently do not belong in the family. These are listed below.

alpinus Linnaeus, Culex. Sweden.
1792:381 (A). Type-loc: Lapland and northern Sweden (NE). Natvig 1945:99 (advocates exclusion from culicid literature, possibly is a *Simulium*). Natvig 1948:302 (*alpinus* of Dyar and of Edwards = *nigripes*).

equinus Linnaeus, Culex. Europe, America.
1758:603 (A). Type-loc: Europe, America (LU). Stone, Knight, and Starcke 1959:286 (Fam. Simuliidae).

flavovirens Robineau-Desvoidy, Culex. France.
1827:410 (A). Type-loc: Gallia, [France?] (LU). Edwards 1932a:212 (probably Fam. Chironomidae).

lanio Linnaeus, Culex. Rumania.
1771:541 (A). Type-loc: Banat and Vallachiae, [Rumania] (LU). Stone, Knight, and Starcke 1959:287 (Fam. Simuliidae).
