At the request of Sage Publishing, the following article is retracted:

Rendana M, Idris WMR, Rahim SA, Latif MT. Impact of COVID-19 Pandemic on Traffic Volume and Air Quality in Urban Areas. *Air, Soil and Water Research*. 2022;15. doi:10.1177/11786221221139529

During routine editorial checks, Sage became aware that this article was accepted as a result of a peer-review process that did not meet the journal standards for peer review.

Due to concerns around the integrity of the peer-review process, this article has been retracted.

The authors have been informed of this decision.
