

- rottensis* Statz, *Anopheles*. Upper Oligocene.  
1944:109 (♂\*). Type-loc: Rott, [near Meissner, Germany] (LACM).
- varivestita* Statz, *Mansonia*. Upper Oligocene.  
1941:14 (♀\*). Type-loc: Rott, [near Meissner, Germany] (KCB).  
Statz 1944:111 (♀\*).
- vectensis* Edwards, *Culex*. Middle Oligocene.  
1923c:151 (♀\*). Type-loc: Gurnet Bay, Isle of Wight, England (BM).
- winchesteri* Cockerell, *Culex*. Eocene.  
1919:44 (♀). Type-loc: Smith's Ranch, near Cathedral Bluffs, Colorado, United States (USNM).

## REJECTED NAMES

These names have been placed on the Official Index of Rejected and Invalid Names by the International Commission on Zoological Nomenclature.

- africanus* Theobald, *Anopheles*. Nigeria.  
1901d:1 (♀; *barbirostris* var.). Type-loc: Old Calabar, [Eastern Provinces], Nigeria (LU). International Commission on Zoological Nomenclature 1968:22 (suppression).
- bironelli* Christophers, *Anopheles*. New Guinea, Moluccas, Australia, Bismarck Archipelago.  
1924a:16 (*nom. nov.* for *gracilis* Theobald, *non* Doenitz 1902). Swellengrebel and Rodenwaldt 1932:55 (♂\*,♀\*,L\*). International Commission on Zoological Nomenclature 1965:164 (suppression).
- errabundus* Swellengrebel, *Cellia*. Borneo.  
1925:1913 (♀\*). Type-loc: Berau (Tandjungredeb), [South East Division], Borneo (ITH). Bonne-Wepster and Swellengrebel 1953:444 (♀\*). Reid and Bonne-Wepster 1966:190 (suppression proposed). International Commission on Zoological Nomenclature 1969:10 (suppression).

## NAMES REMOVED FROM MOSQUITO GENERA

A certain number of species described in culicid genera apparently do not belong in the family. These are listed below.

- alpinus* Linnaeus, *Culex*. Sweden.  
1792:381 (A). Type-loc: Lapland and northern Sweden (NE). Natvig 1945:99 (advocates exclusion from culicid literature, possibly is a *Simulium*). Natvig 1948:302 (*alpinus* of Dyar and of Edwards = *nigripes*).
- equinus* Linnaeus, *Culex*. Europe, America.  
1758:603 (A). Type-loc: Europe, America (LU). Stone, Knight, and Starcke 1959:286 (Fam. Simuliidae).
- flavovirens* Robineau-Desvoidy, *Culex*. France.  
1827:410 (A). Type-loc: Gallia, [France?] (LU). Edwards 1932a:212 (probably Fam. Chironomidae).
- lanio* Linnaeus, *Culex*. Rumania.  
1771:541 (A). Type-loc: Banat and Vallachiae, [Rumania] (LU). Stone, Knight, and Starcke 1959:287 (Fam. Simuliidae).
