

Acknowledgments

We are extremely indebted to D. E. Bright, J. B. Woolley, and an anonymous reviewer for comments that significantly improved the manuscript. S. L. Heydon, L. Kimsey and the whole staff of the Bohart Museum of Entomology, UC Davis, provided a gracious work space to J. H. We thank museum curators who readily provided specimens for examination: L.H. Herman (AMNH), R. Oberprieler (ANIC), S. Mayers (BBM), M. Barclay (BMNH), R. Banka and J. Dobunaba (FICB), P. Limbourg (IRSNB), R. Poggi (MCG), J. Frisch and J. Willers (MNB), H. Schönmann (NHMW), S. Nomura (PPST), C. Pepermans (RMNH), P. Hudson (SAM), O. Jäger (SMTD), N. Vandenberg (USNM), and A. Solodovnikov (UZMC). A. Petrov, A. Zaytsev, and K. Makarov provided photographs of type specimens from the IZM collection. R. A. Beaver, A. Chung, B. H. Jordal, S. L. Wood, H. Gebhardt and R. Rabaglia kindly provided comments and specimens from their private collections. J.H. thanks P. S. Ward for providing access to an imaging system. Supported by the National Science Foundation (DEB-0328920, DEB-02-11591), National Geographic Society (7922-05), the Czech Ministry of Education, and Czech National Science Foundation.
