Published irregularly, four issues to a volume. All manuscripts and other copy for *Miscellaneous Publications* should be sent to the Society in duplicate. The original and one photograph copy of art work must accompany the manuscript. Contributors should consult the latest issue of *Miscellaneous Publications* and conform their manuscripts to the style found there regarding arrangement of title, subheadings, foot-

notes, tables, references cited, legends for illustrations, and other matter. Authors are entirely responsible for statements in *Miscellaneous Publications*, whether of fact or opinion.

Correspondence relating to reprints, availability of back issues, change of address, and general business and editorial matters should be sent to ESA, 4603 Calvert Road, College Park, MD 20740.

Issued August 1981
