In preparing a manuscript, authors should be guided by the Florida Entomologist Manuscript Template, which is posted on the Society's home page: <http://www.flaentsoc.org/auinstr.htm>.

TITLE PAGE: Place name, address, e-mail address, and phone number of author designated to process revisions and review proofs in upper right corner and suggested running head (60 characters or spaces or less) in upper left corner. Order and Family of key organisms should be included in title, but omit authority for scientific names in title.

ABSTRACT: Submit an abstract in English and resúmen in Spanish, or Portuguese. The Editor will obtain a translation if author cannot. Include the complete scientific name and authority for name of all pertinent organisms. **KEY WORDS:** 4-6 below the Abstract. Do not repeat words in the title.

TEXT: Follow a general format of introduction (no head), **MATERIALS AND METHODS, RESULTS, DISCUSSION.** Use metric measurements; express quantities as Arabic numerals except as the first word of a sentence or to avoid ambiguity. Manuscripts in systematics must have an introduction. Taxonomic keys should use the format of vol. 72(2) (1989). Descriptions of new taxa should contain information that will distinguish them from related taxa including appropriate amendment of existing keys. Formal descriptions of taxa may be telegraphic; use of gender symbols is acceptable except for headings. Abbreviate collection dates with Roman numerals for months and Arabic numerals for days and years: 30-IV-1947.

CITATIONS IN TEXT: Use the name-date format: Jones (1986); (Jones 1986); Jones & Smith (1986); (Jones & Smith 1986); Jones (in press); (A.F. Jones, Dept. Zoology, Ohio State University, personal communication). Use "et al." for 3 or more authors. Provide evidence of acceptance for works "in press", otherwise cite as "unpublished" or "personal communication." Provide written permission from personal communicants.

ACKNOWLEDGMENTS: Place disclaimers, journal series numbers, funding sources, address changes other than correspondent, etc. here.

REFERENCES CITED: Important format change: Put initials of ALL authors after the last (family) name. **Example:** JONES, B. J., AND SMITH, C. A. 2008.... Include all source material cited in the manuscript. Provide all information that would allow retrieval of the material. Do not abbreviate place names in journal citations (Florida Entomol, Folia Mexicana), otherwise use the abbreviations found in the Council of Biological Editors Style Manual or Biological Abstracts List of Serials with Title Abbreviations. All author names are to be in uppercase.

TABLES AND FIGURES: Submit all figures and photographs as .tiff (preferred) or jpg files. All figures and tables must be referenced in the text with Arabic numerals **in the order in which they appear in the text.** Table footnotes are written below the table and indicated as superscript Arabic numerals. Table legend in uppercase. All captions for figures are listed together on a separate page. All illustrations must be complete and final. Make a composite figure if numerous line drawings or photographs are needed; do not combine photographs and drawings in the same figure.

SCIENTIFIC NOTES: Short contributions with a maximum text length of 1000 words. Not more than 2 figures and/or tables. Submit a title page and text in logical scientific order without any headings except "Summary" and "References Cited." Summary should be "abstract-like" and located at end of text.

CHARGES: \$58 per printed page with a surcharge of \$26 per figure or table. Reprints are available; order forms with the current price schedule are sent with proofs. IFWA (Immediate Free Web Access), regular article - \$100.00, scientific notes - \$50.00.

ELECTRONIC REPRINTS: Internet publication of all articles is included in the page charges. Persons with access to the Web can read or print high quality photocopies at any time and without charge.

INFOLINKS: For \$45, a hyperlink will be inserted in the online table of contents that accesses the author's article (see <http://purl.fcla.edu/fcla/entomologist/browse>).

LISTING NAMES FOR AUTHOR INDEX: The corresponding author of each manuscript is requested to provide a separate listing of the names of all co-authors with each family name first followed by all other names or initials in the desired order.
